DETAILED ACTION

Allowable Subject Matter

Claims 1- 22 are allowed.

The following is an examiner's statement of reasons for allowance:

None of the prior art, either singularly or in combination, fairly teaches or suggests applicant's claimed invention wherein applicant recites "each said data value is displayed at an intensity level that is a function of the calculated measure of statistical significance for said estimated data value wherein the calculated measure of statistical significance for an estimated data value comprises an estimate of certainty regarding the estimate of the corresponding data value."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
